

Snake-Eyes

Snake-eyed and staring
 across the subway train
He sat
Cold soul, lusting, wearing
 tee, jeans and snake-skin boots,
 -insane-
 Sucking gnat.

With eyes, he at – eating flesh
He sat
Ate naked-silk legs and breathing breasts
He sat
Cold-soul, snake-staring
 -tearing-
Until naked, raw and bloody

She sat staring back
 at him.
 -Snake Eyes-
He won craps (the game)
And she followed him
 from the train.
